15 – 18 August 2017  
Malacca, Malaysia.**

**Manuscript for publication in the special issue of MT Proceedings**

Dear Dr A.A. Okhunov,

Title of Paper: Analyses of the structure of wave functions and energies spectra of ground and low excited states of Ytterbium isotopes

Authors: A.A. Okhunov, Ph.N. Usmanov, Torla Hj Hassan, Mph'd Hk.M. Abu El Sheikh

We are pleased to inform that the above mentioned manuscript submitted by you has been accepted for publication in the ICFMD 2017 special issue of the Materials Today: Proceedings that will be published shortly. The special issue of the journal carrying your article will be available online and in printed form. Please note that the MT Proceedings is a new Scopus Indexed open access journal managed by the editorial team of the prestigious Materials Today journal. More details can be found in the journal website: <http://www.materialstoday.com/proceedings/>

Thank you.

Best Regards,

Tan Winie
